Lessons and Horses for Lease

Unfortunately, due to high costs, we do not provide lesson horses. We have some horses available for lease owned by borders for those who wish to take lessons. In order to take lessons, there must be a minimum of a day lease (one day per week the horse is yours). This is an excellent way to learn horsemanship and be a part of the horse's routine. Pricing for leases are as follows (please note, these prices DO NOT include lesson costs):

- One day a week - \$300/month
- Two days a week - \$600/month + 30% vet/farrier cost
- Three days a week - \$900/month + half vet/farrier cost

Leases must take at least one lesson a week. A schedule is worked out between leasee and owner at everyone's convenience.
